

## HOW TO USE THIS KIT

When recovering a missing child, the most important tools for law enforcement are an up-to-date, quality photograph and descriptive information. Complete this Child ID Kit by attaching a recent photograph of your child and listing all identifying and medical information. Update the photograph and information every 6 months, and keep the Kit in a secure, accessible location.

## WHAT TO DO

If your child is missing from home, search through

- » **closets**
- » **piles of laundry**
- » **in and under beds**
- » **inside large appliances**
- » **vehicles—including trunks**
- » **and anywhere else that a child may crawl or hide**

Immediately **call your local law-enforcement agency** and provide them with your up-to-date Child ID Kit.

After you have reported your child missing to law enforcement, call the National Center for Missing & Exploited Children® at **1-800-THE-LOST® (1-800-843-5678)**.

If your computer is equipped with a microphone and speakers, you may talk to one of our Hotline operators via **[www.missingkids.com](http://www.missingkids.com)** online.

# INSERT DESIGN

PLACE  
PHOTO HERE

Remember to use a  
high-resolution, head-and  
shoulders photo of your child,  
and update it every 6 months.

## FINGERPRINTS

Fingerprints are critical to a complete child identification record and should be taken by trained individuals, such as law-enforcement personnel.
